

Join Us at the Public Open House About the King Edward Park Master Plan!

The Municipality of Brighton has been undertaking a **Master Plan** to determine the future of the recreation and leisure facilities at **King Edward Park**. King Edward Park, located at 75 Elizabeth Street in Brighton, is home to:

- an arena and community centre;
 - a curling facility;
 - two ball diamonds;
 - two tennis courts;
- several soccer fields of varying sizes;
 - a skateboard park; and
 - playground equipment.

-Public Open House-

Location: King Edward Park Community Centre

Date: Tuesday, November 15, 2011

Time: Starting at 7:00 p.m.

Please join us at the **Public Open House** to see what the Consultants have developed and give us your input and comments on the draft vision for the Park. Once comments are received, the Master Plan will be revised and presented to Municipal Council for consideration.

The Master Plan establishes the needed facility components for King Edward Park, determines the financial implications of these components, and provides conceptual drawings of the proposed development. In addition, the Plan will determine the amount of land required for these recommended facilities and suggest options for site expansion or relocation, if necessary.

In order to ensure that the facilities at King Edward Park are truly reflective of the needs of Brighton, we want to hear from you so please **GET INVOLVED!**

For more information, or to submit written feedback for consideration in the King Edward Park and Indoor Recreational Facilities Master Plan, please contact:
