Recommendation:

That Council receive the Council and Committee Remuneration Report.

Background/Purpose:

Section 284 of the Municipal Act requires the Treasurer of a municipality to provide Council with an itemized statement on remuneration and expenses paid in the previous year to:

- Each member of Council in respect of his or her services as a member of the council or any other body, including a local board, to which the member has been appointed by Council or on which the member holds office by virtue of being a member of Council;
- Each member of Council in respect of his or her services as an officer or employee of the municipality or other body described above;
- Each person, other than a member of Council, appointed by the municipality to serve as a member of any body, including a local board, in respect of his or her services as a member of the body.

This statement of remuneration and expenses paid in the previous year must be presented to Council on or before March 31.

Analysis/Comments:

I have provided council with a summary of stipends, meeting honorariums, cell phone allowances, mileage and conference expenses paid to Council members in 2009. I have also included the amounts recovered on these expenses from external agencies.

In addition, I have provided Council with a summary of mileage, meeting honorariums and conference expenses paid to members of Boards and Committees in 2009.
