Parks, Trails, and Green Space Master Plan

Recommendation:

That Council receives the Parks, Trails, and Green Space Master Plan report as information and elects two members of Council to sit on the Parks, Trails, and Green Space Master Plan Steering Committee.

Background/Purpose:

On December 21st, Council approved a proposal from Dillon Consulting for the creation of a Parks, Trails, and Green Space Master Plan for the Municipality of Brighton.

Analysis/Comments:

The proposal calls for a Steering Committee to be created to act as a guide during the process. The Steering Committee will meet with the consultants on January 25th at 2:30pm. It is recommended that the Steering Committee be comprised of Jim Millar (Director –Parks and Recreation), Vaughn Finch (CDO), Jennifer Valcamp (Health Promoter –HKPR District Health Unit), as well as two members of Council.

Strategic Plan Alignment:

Strategy #3 Quality of Life

Action 3.3 Complete a comprehensive future recreational needs study by 2010.

3.4 Develop a parks, green space and trails master plan by 2010.

Principal #6 Provide a local government that is accountable and transparent.

Value #3 Accountability and transparency
