

Growing Together: Creating Our Future

THERE IS STILL TIME FOR YOU TO SPEAK UP

**Come to the Second COMMUNITY FORUM on
Thursday, February 18th, 2010 at 7:00 p.m.
in the King Edward Park Community Centre
75 Elizabeth Street, Brighton, Ontario**

Come and Share Your Thoughts about the Future of Your Community

WHAT DO YOU THINK??

The Community Forum is an opportunity for community residents to discuss the future growth and community development of Brighton.

- How much growth is too much?
- Is there a shortage of affordable housing in Brighton?
- Should the Municipality encourage a wider variety of housing options?
- Does the lack of high-speed internet limit growth of businesses?
- What about the lack of accessible public transit in Brighton?
- Are there enough safe bicycling routes in Brighton?
- Do you think that new commercial development should be more important than industrial development in Brighton?

WHAT ARE OTHERS SAYING??
