

Municipality of Brighton's Parks and Recreation Master Plan Survey

Welcome to the Parks and Recreation Master Plan Survey!

The Municipality of Brighton is currently updating their Parks and Recreation Master Plan. The Master Plan will help determine future needs and priorities for delivering parks, recreation and culture facilities, services and programs to the community.

Community input is a vital part of the planning process. The purpose of this survey is to gather input from community members on their priorities for Brighton's parks, waterfront, recreation facilities, and cultural services.

The survey should take approximately 10 minutes to complete. All individual responses will be kept confidential and will be reproduced in summary for the purposes of this Master Plan only. The survey does not require your name, address, or any other identifiable information.
