

Pre-Consultation Meeting Form

Prior to submitting development applications, Applicants are required to pre-consult with Planning Staff, by appointment, to ensure that both the Applicant and the Municipality have a clear understanding of the purpose of the proposed application, the type of application and, where required, the appropriate studies, information and materials to support the application. Pre-consultation also provides Applicants an opportunity to gain an understanding of the planning process in the Municipality. Details concerning the scope and terms of reference for supporting studies listed in this checklist can be found in [the Municipal Website](#) and further details can be obtained by contacting Planning Services.

As such, not all issues set out herein will apply in all circumstances. This tool is intended to assist in determining the requirements for submission that will enable a development application to be reviewed in accordance with the *Planning Act*. The checklist included at the end of this document references numerous studies and plans. These documents are further described on [the Municipal Website](#), available from the Municipality of Brighton Planning Services.

In order to be considered a complete Pre-Consultation Form, the following is required to be submitted prior to a meeting being scheduled:

- Completed Pre-Consultation Meeting Form;
- Drawings/plans showing the proposal and any other requested plans/drawings, reports;
- Fee (**note: fee must be paid a minimum of one (1) week in advance of the scheduled meeting**)
