

The Corporation of the Municipality of Brighton

By-law No. 003 – 2021

A By-Law to Provide for Regulating and Governing Fences and Privacy Screens in the Municipality of Brighton

Whereas subsection 5(3) of the Municipal Act, 2001, S.O. 2001, c. 25, as amended, provides that a municipal power shall be exercised by by-law;

And Whereas subsection 11(1) of the Municipal Act, 2001 provides that a municipality may provide any service or thing that the municipality considers necessary or desirable for the public;

And Whereas paragraph 7 of subsection 11(3) of the Municipal Act, 2001 provides that a municipality may pass by-laws respecting Structures, including fences;

And Whereas, Section 434.1 (1) of the Municipal Act, without limiting sections 9, 10 and 11, a municipality may require a person, subject to such conditions as the municipality considers appropriate, to pay an administrative penalty if the municipality is satisfied that the person has failed to comply with a By-Law of the municipality passed under this Act;

Now Therefore the Municipal Council of The Corporation of the Municipality of Brighton enacts as follows:

Part 1 **Definitions**

1. In This Bylaw:

“Building” means any permanent structure used or intended to be used for the shelter, accommodation or enclosure of persons, animals or goods, but shall not include a lawful boundary wall or fence;

“Corner lot” means a lot situated at the intersection of and abutting upon two streets, or upon two parts of the same street, the adjacent sides of which street or streets, (or, in the case of a curved corner, the tangents at the street extremities of the side lot lines) contain an angle of not more than 135 degrees. In the case of a curved corner, the corner of the building lot shall be that point on the lot line abutting a street nearest to the point of intersection of the said tangents;

“Corner visibility triangle” means a triangular area formed within a corner lot by the intersecting lot lines abutting the streets or the projections thereof and a straight line connecting them 5.4 metres (17.7 feet) from their point of intersection;

“Council” means the Council of the Municipality;

“Driveway visibility triangle” means a triangular area formed by the intersection of the lateral limit of the travelled portion of a driveway and the street line or sidewalk (if existing) or the projections thereof, and a straight line connecting them 2.7 metres (8.9 feet) from their point of intersection;

“Effective ground level” means the highest level of the ground within 1.0 m (3 ft 3 in) horizontally in any direction from the point being considered;

“Fence” includes a railing, wall, line of posts, wire, gate, boards, pickets or other similar substances, used to enclose or divide in whole or in part a yard or other land, to establish a property boundary, or to provide privacy; and includes any hedge or grouping of shrubs used for the same purpose located in corner visibility triangle or driveway visibility triangle;

“Height” means the distance measured from the effective ground level where the fence posts are embedded to the top of the said fence or posts; provided that where a fence is located on top of a retaining wall, "height" means the vertical distance measured between the top of the retaining wall and the highest point of the fence or posts;

"Lot line" means the line formed by the boundary of any lot;

"Municipality" means The Corporation of the Municipality of Brighton;

"Municipal Fence Viewer" means persons appointed by the Municipality under the Line Fences Act, R.S.O. 1990, c. L.17

"Officer" means a Municipal Law Enforcement Officer whose duties include the enforcement of this by-law, and a Police Officer;

"Privacy screen" means a visual barrier used to shield any part of a yard from view from any adjacent parcel or highway;

"Residential zone" means any land zoned Residential under the Municipality's zoning by-law;

"Yard" means an open, uncovered space on a lot appurtenant to a building and unoccupied by buildings or structures;

"Zoning By-law" means any by-law administered by the Municipality passed pursuant to section 34 of the *Planning Act*, R.S.O. 1990, c.P.13, or a predecessor or successor thereof, as may be amended from time to time.

Part 2

Fences – Contrary to Regulations

2.1 Prohibited

No person shall have, erect, construct, maintain, or permit to be erected, constructed or maintained any fence that does not comply with the provisions of this by-law.

2.2 Prohibited - Height

Subject to sections 6.1 and 7.1 of this By-law, no person shall have, erect, construct, maintain, or permit to be erected, constructed or maintained any fence exceeding a height of 2.0 metres (6.5 feet).

2.3 Restriction – Materials of Construction – Residential Zone

- (a) No person shall have, erect, construct, maintain, or permit to be erected, constructed or maintained any fence comprised of sheet metal or corrugated metal panel members on a lot used for residential purposes.
- (b) No residential fence shall be constructed with concrete panels or blocks/blocks.
- (c) No fence shall be installed or maintained or reinforced with metal or similar materials more than 3 millimeters in thickness.

2.4 Contravention of Order

No person shall contravene a Work Order or an Order to Discontinue Activity.

2.5 Hinder or Obstruct

No person shall hinder or obstruct, or attempt to hinder or obstruct, any person who is exercising a power or performing a duty, including carrying out an inspection.

2.6 Construction

No person shall construct a fence unless the fence is:

- (a) Stable;
- (b) Vertical;
- (c) Made of good quality materials;
- (d) Suitable for the intended purpose;
- (e) Constructed and supported in a manner commensurate with the design of the entire fence;
- (f) Structurally capable of safely sustaining its own weight and any load to which it might normally and reasonably be subjected; and
- (g) Constructed in a manner accepted as good workmanship in the trades concerned.

2.7 Drainage:

No person shall construct a fence over a drainage easement, swale, or watercourse as to obstruct the flow of water, without constructing a water gate sufficient to ensure adequate drainage.

- (a) All water gates on fences shall at all times be kept free from obstruction by the Owner of such fence.
- (b) No person shall construct a fence over a publicly owned storm, sanitary or water main without first obtaining permissions from the Municipality.
- (c) Exemption: a water gate may not be required for fences in which sufficient ground clearance has been established.

2.8 Width:

No person shall construct a fence or privacy screen that is greater than 0.2 metres wide.

2.9 Agricultural Lots

The requirements of this by-law with respect to the height of fences do not apply to a fence on an agricultural property that is necessary for the raising of livestock or for other agricultural purpose.

2.10 Environmental Protection 'EP' Zone or High Water Mark

No fence except for agricultural purposes shall be erected within an Environmental Protection "EP" Zone or to within 15 metres of a high water mark.

Part 3

Existing Fences

3.1 Fences - Deemed to Comply

- (a) Notwithstanding the provisions of this by-law, any fence that is in existence, as may be approved by the Municipal Fence Viewer, prior to the date of the enactment of this by-law and in compliance with other applicable regulations including Municipality of Brighton by-laws, shall be deemed to comply with this by-law and may be maintained with the same material, height and dimensions as previously existed including any repair work that may be done to such fence.
- (b) Where a development covenant by a developer of a subdivision or the declarations of a registered condominium has established on title stipulating where and to what design a fence may be constructed that is otherwise prohibited by this by-law, this by-law grants exception to such stipulations or declarations to the extent that a conflict arises therein.
- (c) Subsection 3.1(a) shall not apply to:
 - i. the applicable requirements herein to a fence within a corner visibility triangle or driveway visibility triangle, such requirement shall apply;
 - ii. any fence that obstructs or inhibits or potentially obstructs or inhibits drainage flows, as naturally occurring or as intended through an approved design by the Municipality or provincial agency;
 - iii. any fence that through poor construction or aging materials represents a health or safety issue to the owner, owner of adjacent land, or a passerby.

Part 4

Residential Fences

4.1 Height – location

No person shall have, erect, construct, maintain or permit to be erected, constructed or maintained a fence on a lot used for residential purposes except in accordance with all of the following regulations:

- (a) a fence within any yard shall not exceed a height of 2.0 metres (6.5 feet);
- (b) no fence shall be located or constructed so as to block access to a parking space as required by the Zoning By-law unless such fence is constructed with a gate at least 2.5 metres (8.2 feet) wide giving access to such parking

- space; and
- (c) no fence exceeding 0.9 metres (3 feet) in height may be erected within any corner visibility triangle or driveway visibility triangle;
 - (d) no fence exceeding 0.9 metres (3 feet) in height may be erected within 15 m of the highwater mark of Lake Ontario or its bays and inlets;
 - (e) the provisions of subsection (a) do not apply to a fence erected to enclose a privately owned outdoor tennis court on residential property, provided the fence is of chain link construction and located no closer to a property line than 2.0 metres.
 - (f) A fence shall be located along the common or shared property line.
 - (g) A fence shall not be constructed over an access easement or right-of-way without a gate being installed at same location conveniently opened by persons servient to the easement or right-of-way.

Part 5 Privacy Screens

5.1 Height - location

A privacy screen may be erected in a side yard or rear yard, if:

- (a) it is more than 4.5 metres (14 ft. 9 inches) from the street line; and
- (b) it is more than 1.2 metres (48 inches) from any side lot line, provided, however, that where the privacy screen is located so as to provide a visual barrier between dwelling units divided by a common wall, such screen may be placed closer along the common property boundary, and;
- (c) it is more than 1.2 metres (48 inches) from the rear lot line; and
- (d) the privacy screen is not more than 12 metres (39 ft. 4 inches) in total length, and no single individual length is longer than 5 metres (16 feet 5 inches); and
- (e) the privacy screen is not more than 3 metres (9 feet 10 inches) above effective ground level (e.g. on top of a retaining wall) when measured in comparison to an adjacent building envelope having an elevation 1 metre higher than the top of fence.

Part 6 Salvage Yard

6.1 Enclosure – specifications

Notwithstanding any other provision herein, a person may have, erect, construct, maintain or permit to be erected, constructed or maintained a fence to enclose land used as a salvage yard provided that such fence shall:

- (a) be not less than 2.44 metres (8 feet) in height and not more than 3 metres (10 feet) in height;
- (b) be set back from all public rights-of way a minimum of 7.62 metres (25 feet); and,
- (c) if on a corner lot, not be within any corner visibility triangle or driveway visibility triangle.

Part 7 Industrial and Commercial Lots

7.2 Enclosure – specifications

A person may have, erect, construct, maintain or permit to be erected, constructed or maintained a fence to enclose a front yard of a lot used primarily for industrial or commercial purposes provided that such fence shall:

- (a) be set back from the front lot line a minimum of 7.5 metres (25 feet); and,
- (b) if on a corner lot, not be within any corner visibility triangle or driveway visibility triangle.

7.3 Core Commercial Area

A person shall not erect a fence in the front yard or exterior side yard of a lot located in the area designated as Core Commercial in the Municipal Official Plan.

**Part 8
Barbed or Razor Wire Fences, Fortification**

8.1 Prohibited –exceptions

No person shall have, erect, construct, maintain or permit to be erected, constructed or maintained any barbed or razor wire fence, or construct as to render a fence or privacy screen as a fortification, except that barbed or razor wire is permitted:

- (a) on a fence erected on land used for agricultural purposes for the keeping of livestock;
- (b) on the top of a fence erected on a lot used for commercial or industrial uses provided that it projects inwards to the area enclosed by the fence; and,
- (c) on the top of a fence erected for security reasons around any facility owned, operated or maintained by any level of government or a utility provider.

**Part 9
Electric Fences**

9.1 Prohibited - exceptions

No person shall have, erect, construct, maintain or permit to be erected, constructed or maintained any fence equipped with a device for transmitting an electric current thereon or there through, except on agricultural land used for the purpose of keeping livestock provided that the maximum electrical current does not exceed 120 volts at .04 amps and complies with all other applicable legislation.

**Part 10
Fences on Municipality Property**

10.1 Street line to sidewalk – prohibited – exception

No person shall have, erect, construct, maintain or permit to be erected, constructed or maintained a fence from the lot line abutting a street to the sidewalk and along the same on the property of the Municipality unless:

- (a) such fence conforms to the height requirements as prescribed herein; and,
- (b) the owner of the land abutting the property of the Municipality upon which such fence is erected obtains a licence or other authority from the Municipality and agrees to remove the same from the property of the Municipality as and when directed to do so.

**Part 11
Conditions**

11.1 Development – Redevelopment- Maintenance

- (a) Notwithstanding any other provision herein, a fence which is constructed as required in a registered agreement or agreements entered into with The Corporation of the Municipality of Brighton pursuant to sections 41, 45, 51, or 53 of the Planning Act, as amended, any plans approved by the Municipality in accordance with those sections or shall be deemed not to contravene the provisions of this by-law. Similarly, any review and acceptance by the Municipality of an aggregate site licensed under the Aggregate Resources Act shall be deemed to not contravene this By-law.
- (b) All fences shall be kept and maintained in accordance with the Municipality's Property Maintenance and Occupancy By-law No. 082-2002, as amended.
- (c) The Chief Building Official may require the owner to erect temporary fences at construction or demolition sites of a design deemed appropriate to eliminate, or where not practicable to eliminate, to mitigate a hazard to the public.

**Part 12
Line Fences Act – Division Fences**

12.1 Line Fences Act

The Line Fences Act applies to the Municipality of Brighton, unless repealed. Procedures and arbitration of cost-sharing shall occur in accordance with such Act.

**Part 13
Inspections**

13.1 Officer – enter on land

An Officer, and anyone under the Officer's direction, may enter on land at any reasonable time for the purpose of carrying out an inspection to determine whether this by-law is being complied with.

13.2 Inspection - documentation

For the purposes of an inspection, the Officer may:

- (a) require the production for inspection of documents relevant to the inspection;
- (b) inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;
- (c) require information from any person concerning a matter related to the inspection; and,
- (d) alone or in conjunction with a person possessing special or expert knowledge, make examinations or take photographs necessary for the purposes of the inspection.

13.3 Inspection – receipt

A receipt shall be provided for any document or thing removed during an inspection and the document or thing shall be promptly returned after the copies or extracts are made.

**Part 14
Variances**

14.1 Variance

The Committee of Adjustment of the Municipality may exercise its authority under section 45 of the Planning Act in considering interpretations or variances to this By-law.

**Part 15
Interpretation**

15.1 Interpretation

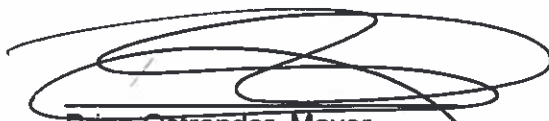

Specific terms or words in this by-law may be interpreted as predicated on provisions and definitions of the Municipality's Zoning By-law, as amended.

**Part 16
Enactment**

16.1 Short title

This by-law may be referred to as the "Fence By-law".

Read a first, second and third time and finally passed on this 11th day of January, 2021.

Brian Ostrander, Mayor

Sandice Doiron, Clerk
