

KING EDWARD PARK ARENA ICE RENTAL REQUIREMENTS

COVID-19 SAFETY PRECAUTIONS

For all individuals and groups renting or using our Municipal facilities it is the responsibility of the renter to ensure that all participants and spectators involved follow all requirements and procedures below. Following these protocols will help to protect everyone who uses our facilities and these outside of our facilities they are in contact with afterwards.

Health and Safety Guidelines:

1. It is the Renter's responsibility to inform all users during their time slot of the COVID-19 screening requirements.
2. Upon entering the building please read the screening questions. If a person has any of the symptoms listed, they are not to enter the Arena.
3. Upon reading the screening questions and determining that they can enter the arena each person is required to fill out the form to help with contact tracing should an outbreak occur.
4. The Renter must submit a list of all participants to the Arena Office prior to going on the ice. Payment must be received for each ice time prior to using the ice.
5. Each individual must sanitize their hands before entering the Arena.
6. Avoid high contact touch points wherever possible (i.e.: Door handles, counters, drinking fountains)
7. Participants are encouraged to fill their own water bottles before arriving to the Arena.

Access Within the King Edward Park Arena (Arena)

1. The south-end main entrance doors will be open for entering/exiting the Arena. Arrows will be in place to direct participants once they enter the Arena. Arrows will continue to ensure proper traffic flow in the Arena leading back to the entrance/exit doors.
2. Individuals are only permitted in the designated rented areas of the Arena.
3. Access to the Arena will be permitted no more than 15 minutes before your scheduled ice time and participants must be out of their designated dressing rooms

within 15 minutes or less after their scheduled ice time to allow for cleaning and disinfecting. Dressing rooms will not be locked and doors will be kept open.

4. Access to the upper spectator viewing area as well as the heated viewer spectator areas will not be permitted at this time with one exception. All accessibility-challenged individuals and their assistants will be permitted to use this area with the assistance of staff who will provide admittance.

5. Outside food and drink must be consumed in the Arena spectator area while ensuring social distancing guidelines to remove your mask to consume the food/drink. All garbage must be placed in the garbage receptacles provided in the spectator area before leaving to exit the facility.

Physical Distancing:

Physical distancing of at least 2 meters (6) feet from other persons should be maintained whenever possible.

Limit the amount of physical contact as much as possible.

Make every attempt to limit close contact with other individuals to 15 minutes or less.

Requirements for the Wearing of Face Coverings/Masks:

Face coverings/masks covering both the nose and mouth are required to enter the Arena and every other municipal facility. Exceptions are only while participating in the physical activity, or sitting inside the designated spectator viewing area of the arena.

Participants engaged in physical activity are not required to wear a face covering/mask while resting on the players bench.

Arena staff are required to wear a mask where there is potential for contact with the public. Emergency protocols will remain the same.

Capacity for Arena Dressing Rooms and Ice Surface

There shall be 2 dressing rooms available per time slot. Our 4 main dressing room areas allow for a total of 8 participants in each dressing room including coaches/on-ice instructors. Additional dressing rooms will NOT be permitted unless there is an overflow situation where either dressing room 5 or 6 will be opened for use, social distancing rules still in effect.

Maximum of 24 people on the ice at any one-time including coaches and trainers.

Each Participant under the age of 18 will be allowed 2 parent/guardians to enter the Arena and one may help assist with equipment when necessary. Face covering/Masks must always be worn by anyone who is not engaged in physical activity or sitting in the designated spectator area consuming food or drink.

Markings will be visible in all dressing rooms to indicate where participants should sit to allow for distancing.

Other Facility Guidelines:

1. The use of rink dividers will not be permitted.
2. Any training aids (i.e. pylons) being used must be property of the user group and cannot be stored at the facility unless in a locked container.
3. Maximum of 4 nets will be available for each rental
4. For any rostered team, additional staff are permitted to be in the spectator area.
5. Any user group that requires the use of the scoreboard controller or the sound system must disinfect all equipment after each use as provided by the facility.

Compliance with Public Health Requirements:

Individuals who are not in compliance with the Kawartha Pine Ridge District Health Unit Requirements are subject to fines for \$750-\$1,000 with a maximum fine of \$100,000.

Corporations found to be in non-compliance can be fined up to \$100,000 each day or part of each day on which the offence occurs or continues.

ACKNOWLEDGEMENT AND ACCEPTANCE:

I hereby acknowledge that I have received, read, and understand the terms and conditions set above. As the contract holder it is my responsibility to ensure that all parties involved adhere to the requirements above.
