RE: Tender PW 2019-04
Storm Sewer Manhole and Catch Basin Cleaning

From: Preston Parkinson, Director of Public Works and Infrastructure

.....
QUESTIONS and ANSWERS (in RED)

Question:

Of the 1175 catch basins, how many of them were cleaned last year, what percentage was not cleaned and when was the last time these ones were done.

Answer:

None were cleaned last year and we don't know what was cleaned in previous years. We will be doing them every year moving forward.
