

Applefest Street Fair Lineup

As Brighton bursts into colour this fall, we're thrilled to welcome you to one of Ontario's most beloved harvest celebrations. At the heart of Applefest is a vibrant community of exceptional vendors—local artisans, growers, makers, and culinary wizards—who bring their passion, creativity, and flavour to every booth.

From hand-picked apples and fresh-baked pies to handcrafted goods, gourmet treats, and one-of-a-kind treasures, our vendors represent the very best of our region's spirit and talent. Whether you're here to shop, snack, sip, or simply soak in the festive atmosphere, you'll find something delightful around every corner.

Happy Applefest!
